

IMPORTANT INFORMATION TO OUR VISITORS

The Museu Carmen Thyssen Andorra has prepared a series of protocols **approved by the Andorran Ministry of Health and the Ministry of Culture**, to guarantee the hygiene and safety of our visitors and museum staff.

Access to the Museu Carmen Thyssen Andorra is conditioned on the witness of safe access, under the conditions specified in the following **DOCUMENT OF ACCESS PERMISSION**

By accessing this museum you affirm and attest that:

1. In the last 14 days, you have not had contact with anyone confirmed or suspected of being infected with Covid-19, including people who had the symptoms described in this disease.
2. You have not traveled in the last month to any Covid-19 restricted area of any level.
3. You do not experience and have not experienced in the last 14 days a high fever, cough, respiratory difficulties, loss of smell and / or taste, fatigue, persistent headache.

If your answer to any of these points is **YES**, you cannot be allowed access to this museum.

Remember that for safety and hygiene reasons of our visitors and our staff, **it is mandatory to use a mask** to access the Museu Carmen Thyssen Andorra

For your safety, it is recommended that you **use the hydroalcoholic gel** from the dispenser that you will find in the museum facilities, before accessing and during your stay

Please **respect the signs at all times**, to ensure the correct use of the facilities

NO TOCAR

DO NOT TOUCH
NE PAS TOUCHER

Utilitzi els guants

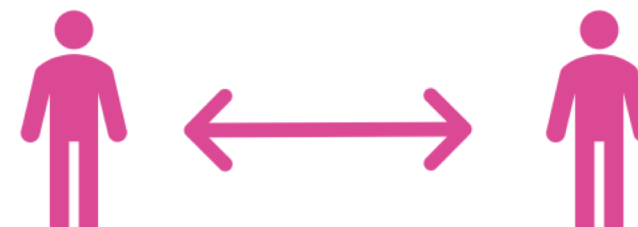

d'acord amb els protocols contra la COVID-19

Per usos específics

Gràcies

For reasons of comfort during your visit and according to social distancing measures, the **capacity** will be as follows:

- 3 people in the space for the store
- 20 people in the exhibition space

Follow the marked direction of the visit

Avoid concentrations during the visit

For your safety, it is recommended that you **preferably use the card** to make payments

For your convenience, **you can make prior reservations and inquiries** about your visit through the email reserves@mcta.ad or by phone +376 800 800

For hygiene reasons during your visits, the **audioguide devices are disinfected daily and after each individual use**

We recommend our visitors to use their own headphones with the audioguides if they want to

For the comfort of our visitors, **disinfecting wipes are available to make use of items** such as: the locker keys, door handles to access the bathrooms ... etc

The keys of the lockers will be deposited after use in the corresponding tray to be **disinfected daily and after individual use**

We appreciate your collaboration and we work with enthusiasm to maintain safety and quality standards for our visitors.
